DECISION ON PETITION  
TO WITHDRAW  
FROM RECORD

This is a decision on the renewed Request to Withdraw as attorney or agent of record under 37 C.F.R. § 1.36(b), filed August 4, 2009 and supplemented August 31, 2009.

The request is **APPROVED**.

A grantable request to withdraw as attorney/agent of record must be signed by every attorney/agent seeking to withdraw or contain a clear indication that one attorney is signing on behalf of another/others.

The request was signed by Gianna J. Arnold on behalf of all attorneys of record who are associated with customer No. 00181. All attorneys/agents associated with the Customer Number 00181 have been withdrawn. Applicant is reminded that there is no attorney of record at this time.

The request to change the correspondence of record is not acceptable as the requested correspondence address is not that of: (1) the first named signing inventor; or (2) an intervening assignee of the entire interest under 37 C.F.R. 3.71. All future communications from the Office will be directed to the first named signing inventor or the assignee of the entire interest at the first copied address below until otherwise properly notified by the applicant.

In order to request or take action in a patent matter, the assignee must establish its ownership of the patent to the satisfaction of the Director. In this regard, a Statement under 37 CFR 3.73(b) must have either: (i) documentary evidence of a chain of title from the original owner to the assignee (e.g., copy of an executed assignment), and a statement affirming that the documentary evidence of the chain of title from the original owner to the assignee was or concurrently is being submitted for recordation pursuant to § 3.11; or (ii) a statement specifying where documentary evidence of a chain of title from the original owner to the assignee is recorded in the assignment records of the Office (e.g., reel and frame number).

There are no pending Office actions at the present time.

Telephone inquiries concerning this decision should be directed to undersigned at 571-272-1642. All other inquiries concerning the examination or status of this application should be directed to the Technology Center.
